**WHAT WOULD A VEHICLE OF THE FUTURE LOOK LIKE
IF WE THREW AWAY THE RULEBOOK?**

Innovation comes from the investigation of the unknown. Pushing the envelope on design, engineering and innovation is our challenge. It's in our DNA.

Nothing is a better example of that philosophy than the new 2015 Genesis. Equipped with standard AWD, the Genesis has been performance-proven on the challenging Nürburgring track for the utmost refinement in handling and control. Advanced innovations include features like the available heads-up display system that not only shows speed, but also turn by turn navigation, lane departure warning and blind spot detection alerts. It will make you challenge your own perceptions of Hyundai.

Discover what unbridled imagination can create. For more details visit hyundaicanada.com/genesis

26 ANNI!

Anche quest'anno, per me l'occasione piu' bella, e non se la prendano cantanti, musicisti, ballerini e artisti vari, e' quella di incontrare, rivedere e parlare con i tanti, moltissimi che anche quest'anno saranno al nostro festival che compie 26 anni. Incontri che a volte sono solo un sorriso, ma talmente spontaneo e caldo che ti fa capire quanto sia il piacere di vedersi, essere vicini, uno accanto all'altro accompagnati dalla musica che e' una dei protagonisti delle due giornate di questo "Italian Festival" che oggi e' purtroppo l'unico rimasto nella nostra comunita' e che per tutti e' pieno di ricordi.

Benvenuti e incontriamoci...

Grenville Pinto è tra i grandi virtuosi del violino in Ontario, capace di suonare praticamente qualsiasi motivo grazie all'immensa abilità musicale coltivata durante la sua straordinaria carriera.

Ha iniziato a soli sette anni in una famiglia di musicisti, con la mamma insegnante di pianoforte, il papà cantante e le due sorelle pianiste professioniste, che spesso lo hanno accompagnato nei suoi concerti. Grenville ha studiato al Royal Conservatory of Music

Fatti prendere dal ritmo del Sud con Vinz De Rosa, interprete frizzante del repertorio calabrese e di brani originali che rivelano l'eclettica essenza di un artista a 360 gradi. Vinz ed i Ragazzi Italiani... musica per le tue orecchie!

Vinz Derosa e' un musicista e cantautore nato in Italia e residente a Woodbridge. Sin da piccolo appassionato di musica e spettacolo, inizia la sua carriera giovanissimo. Gia' a sei anni, si presenta sul palcoscenico della sua scuola elementare con canzoni e commedie in italiano e dialetto calabrese. Piu' tardi, diventa "speaker" in una radio privata e poi a quattordici anni forma una band che suona nei matrimoni e nelle feste paesane. A diciotto anni si trasferisce in Canada ed inizia la sua carriera discografica.

Il suo primo Compact Disc di canzoni originali e' "Figli dell'Italia". A tre anni di distanza esce il secondo ed il più fortunato Compact disc: "Cori calabrisi, anima gitana". Con questo disco Vinz conquista il disco d'oro per volume di vendite, nella sezione folk in Italia. Cori calabrisi vende 30.000 copie in Italia, Nord America ed Australia. Seguono altri 4 Compact Disc di grande successo: Pilu-pilu-pilu, Viva l'Italia, Made in Calabria e Le canzoni della nonna.

Vinz Derosa durante gli ultimi cinque anni ha fatto numerose tournée in Italia, Australia, e Nord America. Ha lavorato a lungo con Pasquale & Rosina Parmiggiano in veste di musicista ed attore ed ha scritto musiche per diversi spettacoli comici, documentari e films.

Quest'anno esce il suo settimo Compact Disc di canzoni originali: **UN RAGAZZO ITALIANO**. E' un album pieno di belle canzoni sentimentali, romantiche ed anche comiche, tra le quali spiccano: "Ragazzi Italiani" dedicata a tutti gli italiani che vivono fuori dei confini italiani, "Cuore di mamma" dedicata a tutte le mamme del mondo, "Stammi accanto Padre Pio", cantata in coppia con suo fratello Cosimo e poi il suo pezzo forte dell'estate 2014: "Bella Calabrisi".

Vinz Derosa, insieme alla sua band "I ragazzi Italiani" vi aspetta al Festival per farvi ballare e divertire al ritmo delle sue canzoni.
